FREESIA REFRACTA ALBA.

# LILIES.

## LILIUM HARRISII.

(Ready now).

Our stock of this superb Lily is of unsurpassed quality. The bulbs are sound, well cured and of good form; not cracked or misshapen.

There are numerous offerings of Liliium Harrisii on the market, which, to say the least, cannot be vouched for as reliable, as they are picked up here and there among small growers and in many instances are mixed and of general poor quality.

## LILY OF THE VALLEY.

Ready in November.

**STRONG PIPS FOR EARLY FORCING. GERMAN GROWN.**

In forcing Lily of the Valley one of the most important points to insure success is to procure strong, well-developed pips. These we offer as selected German stock. The yearly increasing demand for them is sufficient assurance of the satisfaction they give to our customers. Selected pips, per 1000, \$9.00. In original cases (2,500), per case, \$26.00.

CALLA LILY.

## PANSY SEED.

ELLIOTT'S FINEST BLENDED.

We have hundreds of voluntary testimonials of the superiority of the above strain of Florist's Pansy Seed.

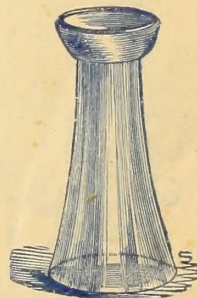

We claim with confidence that it is unequalled in quality—size, markings and texture considered.

We invite comparison with any mixture offered in this country or abroad; new seed ready in July. Trade packet \$1.00; ounce, \$8.00.
